# **NEED INTERNS?**

## **We'll pay interns to work for you.**

If you are a non-profit and/or public agency and willing to train and supervise the interns, the Family Self-Sufficiency Program can provide you with motivated and reliable interns from our community and pay the interns for maximum of 6 weeks and up to 40 hours a week.

Our goal is to provide the interns with exposure to good work habits, job skills, and the working environment, so they can be competitive in the labor market and ultimately become self-sufficient.
