## August Newsletter

### BECOME A GAMECHANGER!

Trade your dress shoes in for sneakers and get ready to Play 4 SAY!

Play 4 SAY is our annual event featuring your favorite lawn games - doubling as a corporate giving opportunity *and* a fun team-bonding experience! Teams of three participate in a friendly competition of bocce ball, ladder golf, and cornhole. The final two teams will have a GIANT Jenga showdown to see who gets crowned the winner of Play 4 SAY!

Enjoy local complimentary refreshments and food, network with colleagues and community partners, and score premium prize packages, all while supporting a great cause. All proceeds go directly to support SAY's 30+ community support programs, impacting the lives of the 30,000 San Diegans we reach every year.

Become a gamechanger and your participation will provide critical support to ensure that local kids, families and youth, especially the most vulnerable, have every possible opportunity to thrive and reach their full potential!

Let's strengthen our community one game at a time!

### Back To School In San Diego

With San Diego County experiencing the second highest inflation rate in the nation, local families are facing economic uncertainty and are tasked with the difficult choice of paying for housing, utilities, food, and school supplies. No family should have to be faced with that choice, so we're asking for your help!

Your donation will provide resources to families so they can ensure their kiddos have what they need to start off the new school year! The Back to School campaign allows families to purchase school supplies in a personalized and dignified way.

To help us reach our goal of \$10,000, all donations will be matched dollar for dollar by our Matching Gift Donor!

### Unity Games 2023

The Unity Games champions community-driven solutions to safer neighborhoods, all while strengthening relationships between local residents and the San Diego Police Department. Together, we can pursue a united city year-round.

Shout out to our community members and the San Diego Police Department for showing us what comm\*unity\* is all about during the 7th Annual Unity Games last weekend!

Thank you to everyone who came out to play, and a special thank you to all of the organizations who partnered with us to make the games happen this year: San Diego City Council, San Diego Police Department, Bridge Church San Diego, and Andrew Haden United States Attorney, Southern District of California.

If you weren't able to attend, we hope to see you at next year's event!
